"Kelly and her team go above and beyond to ensure that you have everything you need for your event. From branding pictures, video, listening materials, helpful tips for how to engage ladies during a virtual session, and a box of Kelly's books and items to sell - I couldn't imagine a better team to work with. **Our ladies loved Kelly's messages** - her sense of humor, honesty, and the ease with which she weaves Jesus into her messages is refreshing and inspirational. **It's like sitting down to have coffee with a friend.** We are so grateful for Kelly and her team and the ability they offered us to do this affordable option for our small community retreat!
